Baybridge Communications, LLC
Special Temporary Authorization

Dear Counsel:

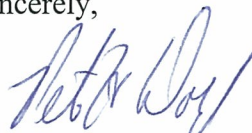

This is in reference to the request filed September 1, 2005, and amended on September 14, 2010, on behalf of Baybridge Communications, LLC ("BC"). BC requests modification and further extension of the special temporary authority ("STA") granted on January 4, 2005, to permit continued operation of both Expanded Band AM Station KDIA and commonly owned, associated lower band AM Station KDYA, beyond the fifth anniversary of the licensing of Station KDIA.

Our review indicates that the Public Interest would be served through grant of the requested STA.

Accordingly, BC's request for modification and extension of STA IS HEREBY GRANTED. Station KDYA may continue to operate with its currently licensed facilities, regardless of the provisions of Special Operating Condition #2 of License BL-19980612KF. We extend the Section 73.3555 Note 10 authority for joint ownership to permit continued operation of Stations KDIA and KDYA. Pursuant to 47 C.F.R. Section 73.1635(b), this authority may be modified or cancelled by the Commission without prior notice or right to hearing.

This authority expires on **March 17, 2011**.

Sincerely,

Peter H. Doyle, Chief
